Editors Note

a new era of jewellery design begins

At Jaipur Jewels, every piece has a story—some waiting to be told, others ready to be retold. With the launch of our **Design Studio**, at **our Mumbai Boutique**, we're giving you the freedom to reimagine, revamp, and create jewelry that's as unique as you are.

This issue is an invitation—to breathe new life into heirlooms, design from scratch, and embrace the beauty of custom craftsmanship. Because today, luxury isn't just about exclusivity—it's about mindful choices, sustainability, and honoring the past while shaping the future.

Whether you're modernizing tradition or crafting a bold new legacy, we're here to make it happen.

Let's design something unforgettable.

PIROHEÉ

The Art Of Transformation

Some jewelry is crafted. Pirohee is woven with precision, patience, and passion.

At Jaipur Jewels, we take immense pride in being one of the few jewelry houses preserving the exquisite craft of Pirohee. This traditional technique involves threading gemstones together with gold wire, creating delicate, flexible masterpieces that sit beautifully against the skin.
